### 7. RIFLES I OWN. (Battery) *(Describe the Firearm's you own and their application)*

7.1 I legally own a **(make)....., in the 30-06 calibre** with **serial number** ..... (Annexure A15). **I use this rifle for the hunting of large game from Sebra to Eland in the Bushveld.** The hand loaded hunting cartridges (bullet weight - 180gr Nosler Patition) I use in this rifle is purposely formulated for the set-up of the rifle to ascertain accurate shots up to 150m to ensure a one-shot-kill.

7.2 I legally own a **(make)..... in the 300WM calibre** with **serial number** ..... (Annexure A15). **I use this rifle for the hunting of large game from Gemsbok to**

**Elald in the Karoo and Kalahari where the shots are much longer than in the Bushveld.** The hand loaded hunting cartridges (bullet weight - 220gr Nosler Partition) I use in this rifle is purposely formulated for the set-up of the rifle to ascertain accurate shots up to 300m to ensure a one-shot-kill.

7.3 I legally own an **(make) ..... in the 308W calibre** with **serial number .** (Annexure A15). **I use this rifle for the hunting of medium sized game from Impala to Reedbuck & Red Hartebeest in both the Bushveld and for Blesbok in the open flats of the Karoo and Free State.** The hand loaded hunting cartridges (bullet weight – 168gr Peregrine VRG4) I use in this rifle is purposely formulated for the set-up of the rifle to ascertain accurate shots up to 300m to ensure a one-shot-kill.

7.4 I legally own a **(make).....in the. 243W calibre** with **serial number .....** (Annexure A16). **I use this rifle for the hunting of specifically springbok and mountain reedbuck in the hills and on the open flats of the Free State, Karoo and Kalahari.** The hand loaded hunting cartridges (bullet weight - 100gr Sierra I use in this rifle is purposely formulated for the set-up of the rifle to ascertain accurate shots up to 300m to ensure a one-shot-kill.

7.5 I legally own a **(make) in the .22LR calibre** with **serial number .....** Annexure A16). **I use this rifle for sport shooting to keep my eye in and to teach my grandchildren to handle firearms safely and to learn them shoot.** This rifle is definitely not suited for the hunting I intend doing.

7.6 I legally own a **(make)..... in a 12ga** Side by Side with **serial number .....** (Annexure A15). **I use this shotgun for the hunting of game bird such as Pigeons, Ducks, Geese.**

7.7 I legally own a **(make)....., in the 20ga caliber** Over Under with **serial number .....** (Annexure A15). **I use this shotgun sole for clay pigeon shooting .**

**8. PURPOSE OF USE OF NEW (make) .....– (calibre)....., with serial number .....**

8.1 As can be seen from the content of paragraph 7 above, I do not own any rifle \shotgun that can for fill the need of and which has the capable and or purpose for the type of hunting I want to part take in. That then also forms the basis for this application to acquire this rifle / shotgun, which is specifically built for bush hunting / open plain hunting / wing shooting / clay shooting.

8.3 Short description and capabilities of this firearm (not multiple pages of history and data)

.....  
.....  
.....  
.....  
.....

8.5 I have been hunting for the past number of years with my current rifle /shotgun and want to improve to achieve my objectives and goals of first shot kill in terrain and habitat where these species would be hunted

8.6 As a young boy I was introduced to firearms by my father on a hunts. From my first hunting expedition I was schooled in the importance of firearm safety during a hunt and therefore I have an extensive knowledge respect of the following aspects.

8.7 I am a dedicated hunter and, I mainly do subsistence hunting (and culling). I hunt throughout the year to ensure fresh meat, but mainly during the winter hunting seasons especially in the areas that does not have cooling facilities in the direct vicinity of where I hunt. Included a letter from one of the farmers where I have hunted on several occasions in the past (and planned / booked hunts). As I have already stated, I hunt throughout South Africa. I regularly hunt in the following areas: (list your countries, provinces, farms, districts)

- i. Marken, Marble Hall, Groblersdal, Brits, Vaalwater, Tzaneen, and Hoedspruit in the Northern and North Western Provinces.
- ii. Grahamstown, Karoo, and Port Alfred in the Eastern Province.

**I WILL BE HUNTING THE FOLLOWING GAME WITH THIS RIFLE**

***RIFLE / SHOTGUN***

**MAKE : ..... - SERIAL NO .....- CALIBRE - .....**

*(Select / add or delete from the below group that would be applicable to your calibre of rifle or shotgun)*

VERY SMALL GAME			
			
Steenbuck	Duiker	Rabbit	Porcupine

OR,

SMALL / MEDIUM GAME			
			
Springbuck	Impala	Blesbuck	Bontebuck

OR,

MEDIUM / LARGE GAME

OR,

<b>DANGEROUS GAME</b>			
			
Buffalo	Elephant	Hippopotamus	Rhino

OR,

<b>WINGSHOOTING</b>			
			
Rock Pigeon	Spurwing Goose	Egyptian Goose	Yellow billed duck

			
Swainson's Spurfowl (Francolin)	Natal Spurfowl (Francolin)	Guinea Fowl (Helmeted)	Orange River Francolin

## 9. RELOADING OF RIFLE / SHOTGUN AMMUNITION

- 9.1 I have been reloading all my rifle calibres / Shotgun 12ga since (years),....., with exception of the .22LR which is a rimfire cartridge which cannot be reloaded (see Annexure A21 which depicts sections of my reloading room).
- 9.2 I shall start my reloading for the (calibre and make) ..... with reload data recommended, my own reloading development parameters and process , which will surely differ for my other rifles \shotguns , as each rifle has its own optimum load characteristics and preferred load configuration with a rifle specific overall cartridge length (bullet seating depth) for each individual rifle (albeit that load differences might be minute for my rifle). **OR**
- 9.3 I shall start my reloading for the Shotgun gauge for the purpose of use and application, specific lead weight and size for the various Clay Shooting disciplines. The same apply for wing shooting, depending on the birds species that I will be shooting.

## **10. SAFE STORAGE**

### **10.1 RESIDENTIAL**

My house is surrounded by (height) .....m walling, with palisade fence above and an additional electric fence Trelley doors are fitted to all my doors as well as my passages in my house . My house is fitted with an internal and external active and passive sensors and beams

### **10.2. SAFE**

I have fitted a prescribed SABS approved safe (SABS Standard 953-1 and 93-2) as stipulated in the Regulation 86 of the Firearm Control Regulation, 2004 (Safe Keeping Facilities) in which I shall store the firearm (Annexure A22)  
It has been inspected by the SAPS at a previous application and found to be in order.  
**(If applicable)**

## **11. APPLICATION FOR RIFLE FOR DEDICATED / OCCASIONAL HUNTING**

- 11.1 Against the above-mentioned background I request the central firearms registry to please grant me a licence for this (make) ..... rifle /shotgun in the ..... calibre /gauge with serial number..... , to be used for Dedicated / Occasional Hunting
